Play Intro chords

3rd verse:

So why does it come as such a shock
To know you really have no one
Only a river of changing faces
Looking for an ocean
They trickle through your leaky plans
Another dream over the dam
And you're lying in some room
Feeling like your right to be human
Is going over too

Break:

Well some are going to knock you
And some'll try an' clock you
You know it's really hard
To talk sense to you
Trouble child
Breaking like the waves at Malibu

Outro:

Repeat this pattern 3 times
