I've managed to figure out a standard tuning version of "Harry's House/Centerpiece" (one of my favourite Joni songs). I've borrowed some elements and chord shapes from Marian Russell's CGDFBbD transcription. It sounds pretty good, but if you have any suggestions/improvements (and I'm sure this thing could be improved upon). I'd love to hear from you - crazydiamond67@hotmail.com.

All fret positions are relative to the capo.

In the continental suite

She is lost in House and Gardens He's caught up in Chief of Staff

He drifts off into the memory
Of the way she looked in school
With her body oiled and shining
Like a public swimming pool....
