Rongs and floes of an-gel hair and ice cream cast-les in the air and
Moons and junes and fez-zy wheels the oly dan-cing way you feel as
Tears and fears and feel-ling proud to say, 'I love you' right out loud.

E-ve-ry hair tale comes real I've looked at love that way

But now it's just an-other show you leave 'em laugh-in when you go and
But now old friends are ac-ting strange they shake their heads, they say I've changed well.

Some-thing's lost, but some-thing's gained in liv-ing ev-ery day

I've looked at clouds from both sides now from up and down and still some-how it's
I've looked at love from both sides now from give and take and still some-how it's
I've looked at life from both sides now from win and lose and still some-how it's

Cloud il- lu-sion re-call re-ally don't know
Love's il- lu-sion re-call re-ally don't know
Life's il- lu-sion re-call re-ally don't know
