all his seadreams come to me

City satins left at home I will not need them
I believe him when he tells of loving me
Something truthful in the sea your lies will find you
Leave behind your streets he said and come to me
Come down from the neon nights
Come down from the tourist sites

Run down till the rain delights you
You do not hide
Sunlight will renew your pride
Skin white by skin golden
Like a promise to be free
Dolphins playing in the sea
All his seadreams come to me
Seabird I have seen you fly above the pilings
I am smiling at your circles in the air
I will come and sit by you while he lies sleeping
Fold your fleet wings I have brought some dreams to share
A dream that you love someone
A dream that the wars are done
A dream that you tell no one but the gray sea
They'll say that you're crazy
And a dream of a baby
Like a promise to be free
Children laughing out to sea
All his seadreams come to me
All his seadreams come to me
