2nd Verse:

Sometimes it's easy
You drift with the empty gladness
Like it all belongs
Sometimes it's low down sadness
Like it's all gone so wrong
When I saw you standing there
I said to myself
M-m-m here's a place
I could break down and care
I'll give him my sweet love
Real sweet love
Woman to man

[Break chords as above]

3rd Verse:

I don't like to lie
But I sure can be phony when I get scared
I stick my nose up in the air
Stoney, stoney when I get scared
And when I saw you standing there
I was scared
I thought
Oh - I hope he can care -
I sure hope I can care -
Hope we can really care -
and share
