## Intro:

000000	998800	000000	998800

000000	998800	000000	998800	777777

## 1st verse:

000000	998800	777777
	Hard bodies	Soft emotions

000000	998800	777777
	So fast so	smart

000000	998800	777777
The world is at your feet but		What about your heart?

221100	555555	777777
Fame and fortune can't hold you tight		

| | | | |                         | | | | |  
221100                             777777  
| | | | |                         | | | | |  
In the late late hours of the night             How do you

| | | | |             | | | | |                         | | | | |  
000000             998800                             777777  
| | | | |             | | | | |                         | | | | |  
stop?                         Oh before it's too late?

| | | | |                             | | | | |             | | | | |  
221100                             555555             777777  
| | | | |                             | | | | |             | | | | |  
You choose and you lose if you hesitate

| | | | |   slide to   | | | | |  
555555   =====>   777777  
| | | | |               | | | | |  
                           How do you

| | | | |             | | | | |                         | | | | |  
000000             998800                             777777  
| | | | |             | | | | |                         | | | | |  
stop?                         Before it's too late?

| | | | |                             | | | | |             | | | | |  
221100                             555555             777777  
| | | | |                             | | | | |             | | | | |  
You think love will wait so you don't hold on Oh and then it's

| | | | |             | | | | |             | | | | |             | | | | |  
000000             998800             000000             998800             777777  
| | | | |             | | | | |             | | | | |             | | | | |  
gone

2nd verse:

You've had success -  
Lots of fancy friends  
You've tasted the good life;  
You thought it would never end.  
One day you're too young,  
Then you're in your prime,  
Then you're

000000	998800		777777
stop?		Before it's	too late?

221100		555555	777777
	You choose and you	lose if you	hesitate

	slide to		
555555	=====>	777777	
			How do you

000000		998800	
stop?			Before it's

000000		998800	
too late?			

000000		998800	
How do you stop			You're lost

000000		998800	777777
if you hesitate			

000000		998800	
How do you stop			Oh from

000000		998800	
slipping away			How do you

||||||  
000000  
||||||  
stop

||||||  
998800  
||||||

Before it's

||||||  
000000  
||||||  
too

|||||| 777777  
998800  
||||||  
late
