2nd verse:

With a jack and a spare you're there
Trying to get to where love is
Coming in on a rim and a prayer
Trying to get to where love is
Love is precious love
You said it was precious
When first you felt my fire
Before you dreamed flat tires
Dreamed flat tires
dreamed flat tires

'Cause I know that you love me
But, what are you going to let love be
Just a vague flirtation
Or extra special company?
Love is precious love
Everybody knows it's precious
When first they feel that fire
before they dream flat tires
They dream flat tires
Dream flat tires

[Repeat Middle 8]

Outtro:

'Cause I know that you love me
But, what are you going to let love do?
