Same chords as above:
 Popcorn, popcorn, cotton candy,
 Soft voice whispers,
 "This can all be right
 If you'll come and share a ride."

All the tents are taken down now
All that's left is scuffled ground now
Still the magic echoes in the sand

Popcorn, popcorn, cotton candy
Now a stranger takes my hand
We smile and the magic understands

Carnival in Kenora
I let him take me for a ride
On a giant Ferris wheel
Up in the neon sky
Or far from the barker's cry
One kiss can sometimes
Make you feel like a
Spinning Ferris wheel
