000232                    032010

What's the story Mister

000232    032010

Blue, did she pull the rug from under

000232    032010

you, did she chop your dreams up two by two and

kick them out the door?

000232            032010

I could sympa- thize you

000232                            032010

Oh, Mister Blue you blew your

032010    020000    000232

chances long ago

032010        000232

Oh, Mister Blue you're through, quit

5554xx            3332xx

acting like you didn't know.

2nd verse:

Hang on one more day or two  
then I promise I'll be  
laying you odds that she's found someone new  
while you stand around rust  
she don't need no part-time man  
with no part-time answer understand  
she don't want an hour's fall of sand  
for a lifetime full of dust  
oh, Mister Blue, you blew your chances long ago  
oh, Mister Blue, you're through  
quit acting like you didn't know

3rd verse:

Mister Blue you missed the shot  
didn't turn out quite the way you thought it would  
I'll bet 'cause you got caught out playing Donald Juan  
she's got polish, she's got class  
and someday when on the street you pass her house  
you'll wonder why the grass looks greener on her lawn  
oh, Mister Blue, you blew your chances long ago  
oh, Mister Blue, you're through  
quit acting like you didn't know
