```
Intro:
======

| | | | | |    | | | | | |
009870     007870
| | | | | |    | | | | | |

Repeat a few times.

Chorus:
=======

| | | | | |
777777
| | | | | |
Come on people now

| | | | | |
999999
| | | | | |
Smile on your brother

| | | | | |
009870
| | | | | |
Everybody get together
```

```
||||||    ||||||
777777    999999
||||||    ||||||
```
Come on and love one another

```
||||||  ||||||
009870  007870
||||||  ||||||
```
Right now

```
||||||  ||||||
009870  007870
||||||  ||||||
```

Verse 1:
========

```
||||||              ||||||
009870              007870
||||||              ||||||
```
Love is but a song we sing

```
||||||      ||||||
009870      007870
||||||      ||||||
```
Fear's the way die

```
||||||              ||||||
009870              007870
||||||              ||||||
```
You can make the mountains ring

```
||||||          ||||||
009870          007870
||||||          ||||||
```
Make the angels cry

```
||||||          ||||||
009870          007870
||||||          ||||||
```
Though the bird is on the way

```
||||||          ||||||
009870          007870 hold this chord
||||||          ||||||
```
Though we don't know why

++++++
CHORUS
++++++

If you heard this song I sing
Then you will understand
You hold the key to love and hate
In your trembling hand
One can lock them both, you know
The key's at your command

++++++
CHORUS
++++++

Soldiers die, empires fall

We will surely pass

When all in who has left us here

Returns for us at last

We are but a moments unshined

Fading on the grass

+++++

CHORUS

+++++

| | | | | | | | | | | |
009870   007870
| | | | | | | | | | | |
Love is but a song we sing

| | | | | | | | | | | |
009870   007870
| | | | | | | | | | | |
Fear's the way die.
