NB to make the chord shapes at the 10th and 12th frets easier to write, I'll use:

- A = 10
- B = 11
- C = 12

AAAAAA ACABAA

We got a break, unbelievable

AAAAAA ACABAA AAAAAA
We got a break, right in the middle of this

555555 575655
Hollywood heartache

555555
We got this solid love

xx0000 222100 444300 555555 575655
All around the town good hearts are going under

555555 575655
Love bandits con and plunder

555555 777777 CCCCCC 777777
Let nobody put asunder this solid love

VERSE 2:

(Same chords as verse 1, except last line)

We got a chance, hot dog darlin'
We got a chance
No more, no more fly-by-night romance
We got this solid love
Love has always made me feel so uneasy
I couldn't relax and just be me

575655 555555 777777 CCCCCC
More like some strange disease than this solid love

MIDDLE 8:

ACABAA AAAAAA
Tested and blessed, darlin'

333333 555555
I'm gonna give you my very best

ACABAA AAAAAA 888888
You're my hope you're my happiness

242322
You open my heart you do

242322

222222

You open my heart, you do, yes you do

(For the last two lines, on the 242322 chord, alternate strums on the low and high strings - e.g play 2423xx then xxx322)

The two verses and the middle 8 are repeated - same chords as before, except where indicated (lyrics are also slightly different).
