To the Editor:

James Scholars

I am aware that there would be many individuals who support the University through taxes or donations who would consider it a waste of funds for this non-political lead, it would have been proper for you to first ask, explicitly, exactly how the members felt in regard to the political issues.

[LARRY E. NAZIMKE]

Transmitting

To the Editor:

Laws of the University to be political, it would have been proper for you to first ask, explicitly, exactly how the members felt in regard to the political issues.
