UNCOVERED: THE AMAZING STORY OF JONI'S SIDEKICK ON CRETE, PENELOPE ANN SCHAFER. BY GRAYSON HAVER CURRIN.

IN THE LORE around Blue, "Penelope" seems like some fictionalised goddess - the Ottawa poetess, as Joni Mitchell called her, who whisked the heartsick songwriter away to a transformational period on Crete, her mononym bestowed by Greek mythology. To wit, in previous essays about Blue, Penelope has never been given a last name.

But she is actually Penelope Ann Schafer, a best-selling Canadian poet, award-winning actress, **Buddhist explorer, beloved** impresario and mother of two, who had a decades-long and sometimes-contentious relationship with Mitchell. Her fascinating life can seem at times like a tall tale.

Born in 1939 in Victoria, British Columbia, she was raised by a Second World War hero, then starred in The Tragic Diary Of Zero The Fool, an acid trip of a film that inspired Werner Herzog. She worked for a drug cartel exchanging money in South America until she developed dysentery and returned to Canada, where she became a crux of the creative counterculture. And in the late '60s, she had a

short-lived tryst with Leonard Cohen (possibly while he dated Mitchell) before convincing Mitchell, in 1970, to follow her to Crete, where Cohen had purchased a home a decade earlier.

"Penelope loved travelling, but she was also interested in philosophy, history, and architecture, so it was a spiritual pilgrimage," says Willow Verkerk, Penelope's eldest daughter and a philosophy professor and author in Canada. "My mom also admired Leonard as a Canadian songwriter and poet, so she would have been curious to see where he had gone."

Indeed, Penelope penned a poem about her time with Mitchell on Matala, called Letter To Crete For Joni. She wrote of "growing wild with the mystics" and "a simple day/ spent learning to pray/in the sun.' Mitchell, in turn, wrote a playful and lascivious poem about Penelope's lust for life in Crete: "Penelope wants to fuck the sea... She wrinkles up her nose and screams." In November 1970, after Mitchell had returned to the United States, she recited the poem on-stage with Frank Zappa. Verkerk still owns the 58th handmade copy of Mitchell's Morning Glory On The Vine book, a photo of her mother and Mitchell

affixed beneath the poem titled Penelope.

After Penelope's second husband died in an accident in 1982, Mitchell was around more, even teaching Verkerk a little piano. But they were both pinionated O HER. obdurate people, unafraid of telling their version of the truth. As Mitchell's star rose, Penelope worried that money was warping her. After Penelope died in 2011, a mutual friend said she would tell Mitchell, but Verkerk never asked how Joni responded. <u>"I remember asking my mom if</u> Joni was coming to visit us, because I had a really beautiful experience with her, a nice feeling," she says. "But mom said Joni was too materialistic, that her fame was getting to her."
