

Stay in Touch

Author: Howard Wright

CCEGCE, 'Joni' Tuning: C 12 4354

This transcription is the author's own work and represents their interpretation of the song. You may only use this file for private study, scholarship, or research. Copyrighted material on this website is used in accordance with 'Fair Use'

INTRO:

5555xx 00000x 44300x 0000xx

5555xx 00000x 4430xx 221000 0000xx

5555xx 000xxx 44300x 00000x

5555xx 000xxx 4430xx 221000 000000

VERSE 1:

5555xx 998000

This is really something, people will be envious

4430xx 00000x 5555xx

But our roles aren't clear so we musn't rush

0000xx 5555xx 998000

Still, we're burning brightly, clinging like fire to fuel

4430xx 0000xx 5555xx

I'm grinning like a fool

CHORUS:

0000xx 5555xx 000000 44300x

Stay in touch

5555xx 000xxx 4430xx 221000 000000

We should stay in touch

5555xx 000xxx 443000

Oh! Stay in touch

5555xx 000xxx 4430xx 221000 000000

In touch

(Same chords for all verses and choruses)

VERSE 2:

Part of this is permanent
Part of this is passing
So we must be loyal and wary
Not to give away too much
Til we build a firm foundation
And empty out old habits
Old habits

CHORUS:

Stay in touch
We should stay in touch
Oh! Stay in touch
In touch

MIDDLE 8:

998000 11 11 10 0 0 0

During times like these the wise are influential

14 14 13 0 0 0 443000 5555xx

They can bear the imperfections they can keep the harmony

998000 11 11 10 0 0 0

No doubt about it, no doubt that's essential

14 14 13 0 0 0 443000 5555xx

No doubt that's always been a tricky one for me, so

VERSE 3:

We should just surrender
Let fate and duty shape us
Let light hearts remake us
Let the worries hush
In the middle of this continent
In the middle of our time on Earth
We perceive one another

CHORUS:

Stay in touch
We should stay in touch
Oh! Stay in touch
In touch
