

JoniMitchell.com Transcription for Guitar

Cool Water

Author: Mark Domyancich

DAEGAD, 'Joni' Tuning: D77325

This transcription is the author's own work and represents their interpretation of the song. You may only use this file for private study, scholarship, or research. Copyrighted material on this website is used in accordance with 'Fair Use'

Intro:

(Keyboard solo)

{00:35}

222100 2222xx 777600

222100 2222xx 777600

555400 777600

All day I face the barren waste

555400 777600

Without a taste of water

999000

Cool water

555400

Old Dan and I

777600

Our throats slate dry

999000

Our spirits cry out for water

777600 999000

Cool clear water

777600

Keep on movin' Dan

999000

Some devils had a plan

777600

Buried poison in the sand

999000

Don't drink it man

777600

It's in the water

999000

Cool clear water

777600

In my mind I see

999000

A big green tree

777600

And a river flowin' free

999000

Waitin' up ahead

777600

For you and me

999000

Cool clear water

222100 555400

777600

999000

The nights are cool and I'm a fool

777600

Each star is a pool of water

999000

Cool water

777600

But come the dawn

999000

We carry on

777600

999000

We won't last long without water

777600

999000

Cool clear water

777600

Keep on movin' Dan

999000

We're still in no-man's land

777600

Dry bones and sand

999000 777600
People never planned here for water
999000
Cool clear water

777600
In my mind I see

999000
A big green tree

777600
And a river flowin' free

99900 777600
Waiting up ahead for you and me

999000
Cool clear water

222000 555000

777600
The shadows sway

999000
They seem to say

777600
Tonight we pray for water

999000
Cool water

777600
And way up there

999000
If you care

777600
Please show us where

999000
There's good water

777600 999000
Cool clear water
