This is an easy, pretty version of this song I worked out that combines features of the guitar and dulcimer parts. Disclaimer: some measures in the verse are not meant to be an exact transcription; I added a few touches of my own. It requires that you tune the top string down one step. This makes the intro a little more awkward than it would be in standard tuning, but you'll need that open D for later chords. Then, you will have to tune everything up a half step or capo one fret if you want to play in tune with the album. This way you can use the open third string for the drone part.

I added the first two measures because I think they make it easier to get started. Quarter note pickup, then straight eighths.

LYRICS

I am on a lonely road and I am traveling,  
 traveling, traveling, traveling  
 Looking for something, what can it be?  
 Oh I hate you some, I hate you some, I love you some  
 Oh I love you when I forget about me  
 I want to be strong, I want to laugh along

I want to belong to the living  
Alive, alive, I want to get up and jive  
I want to wreck my stockings in some jukebox dive  
Do you want--do you want--do you want to dance with me baby?  
Do you want to take a chance  
on maybe finding some sweet romance with me baby?  
Well, come on.

All I really really want our love to do  
Is to bring out the best in me and in you too  
All I really really want our love to do  
is to bring out the best in me and in you  
I want to talk to you, want to shampoo you  
I want to renew you again and again  
Applause applause--Life is our cause  
When I think of your kisses my mind see-saws  
Do you see--do you see--do you see how you hurt me baby?  
So I hurt you too, then we both get so blue.

I am on a lonely road and I am traveling  
Looking for the key to set me free  
Oh the jealousy, the greed is the unraveling, it's the unraveling  
And it undoes all the joy that could be  
I want to have fun, I want to shine like the sun  
I want to be the one that you want to see  
I want to knit you a sweater, want to write you a love letter  
I want to make you feel better, I want to make you feel free  
Hmm, Hmm, Hmm, Hmm,  
Want to make you feel free  
I want to make you feel free
