On to the next verses-same chords.

I am up a sycamore
Looking through the leaves
A sinner of some position
Who in the world can this heart healer be
This magical physician
Enter the multitudes
In Exxon blue
In radiation rose
Misery
Now you tell me
Who you gonna get to do the dirty work
When all the slaves are free
Who're you gonna get
Enter the multitudes
The walking wounded
They come to this diver of the heart
of the multitudes
Thy kingdom come
Thy will be done

Oh climb down climb down he says to me
From the middle of unrest
They think is light is squandered
But he sees a stray in the wilderness
And I see how far I've wandered
Enter the multitudes
In Exxon blue
In radiation rose
Apathy
Now you tell me
Who you gonna get to do the dirty work
When all the slaves are free?
Who're you gonna get
Enter the multitudes
The walking wounded
They come to this diver of the heart
of the multitudes
Thy kingdom come
Thy will be done

Oh all around the marketplace
The buzzing of the flies
The buzzing and the stinging
Divinely barren
And wickedly wise
The killer nails are ringing
Enter the multitudes
In Exxon blue
In radiation rose
Tragedy
Now you tell me
Who you gonna get to do the dirty work
When all the slaves are free?
Who're you gonna get
