This song is very similar to Overture/Cotton Avenue, in that there is a second guitar tuned to CGCEGC, and many of these shapes are played in O/CA in this tuning.

The second guitar only plays this riff

```

-----5-----5-----5-----
-----5-----5h7-----7-----7p5-----
-----5-----5-----
-0-----3-----5--0-----5--
-----
-0-----3-----5--(0)-----

```

when the first guitar (tuned to CACFGC) plays the riff:

```

-----5--5--5--5
-----5--5--5--5
-----
-----5--0--5--0
-0-----3-----5-----5--5--5--5

```

It is played every time.

Guitar 2 enters (and stays) at the line "Come all you fair and..."

```

-----12-----
-----12-----12-----
-----10-----12-----
-----12-----
----- (12) -----
...tender schoolgirls

```

10-----10-----5--5---9-----0

 -----10-----8--8-----

And the riff after the verse:
