```

A(2)      G6+9                                A(2)
I awoke today and found the frost perched on the town
A(2)      A      G6+9                                A(2)
It hovered in a frozen sky and it gobbled summer down
D      C
When the sun turns traitor cold
D      C      E      E5addD/B
And all the trees are shivering in a naked row
A      G      A(2)
I get the urge for going but I never seem to go

```

## CHORUS #1:

```

      G      D      A      G      D      A
And I get the urge for going, when the meadow grass is turning brown
G      D      A      A      G      A
Summertime is falling down and winter's closing in

```

I had a me a man in summertime, he had summer colored skin  
 And not another girl in town that darling's heart could win  
 But when the leaves fell on the ground  
 And bully winds come around and pushed them face down in the snow  
 He got the urge for goin', and I had to let him go ...CHORUS

## CHORUS #2:

```

He got the urge for going when the meadow grass was turning brown
And summertime was falling down and winter was closing in

```

Now the warriors of winter they give a cold triumphant shout  
All that stays is dying, all that lives is getting out  
See the geese in chevron flight  
Flapping and a-racin' on before the snow  
They got the urge for going and they've got the wings so they can go

CHORUS #3:

They get the urge for going when the meadow grass is turning brown  
Summertime is falling down and winter's closing in ...REPEAT INTRO

I'll ply the fire with kindling, I'll pull the blankets to my chin  
I'll lock the vagrant winter out and I'll bolt my wandering in  
I'd like to call back summertime  
And have her stay for just another month or so  
But she's got the urge for going so I guess she'll have to go

CHORUS #4:

She's gets the urge for going when the meadow grass is turning brown  
And all her empire's falling down and winter's closing in  
And I get the urge for going when the meadow grass is turning brown  
And summertime is falling down ...REPEAT INTRO
