Love (Corinthians I:13)

Author: Howard Wright

EBDEAC#, 'Joni' Tuning: E73254

This transcription is the author's own work and represents their interpretation of the song. You may only use this file for private study, scholarship, or research. Copyrighted material on this website is used in accordance with 'Fair Use'

As usual, there are a few open strings picked out during some of the chord changes. I've just written out the basic shapes here.

Verse 1:

777777

Although I speak in tongues of men and angels

002222

I'm just sounding brass

002201

And tinkling cymbals without love

999000 777000

Love suffers long

002222

Love is kind

999000 777000

Enduring all things, hoping all things

055555

Love has no evil in mind

777777

If I had the gift of prophecy

002222

And all knowledge

002201

And the faith to move the mountains

999000 777000 002222

Even if I understood all of the mysteries

999000 777000

If I didn't have love

002201

I'd be nothing

999000 777000 055555

Verse 2:

777777

Love never looks for love

002222

002201

Love's not puffed up or envious, or touchy

999000 777000

Because it rejoices in the truth

002222

Not in iniquity

999000 777000 055555

Love sees like a child sees

777777

As a child I spoke as a child

002222

002201

I thought and I understood as a child

999000 777000

But when I became a woman

002222

I put away childish things

999000 777000 005555

And began to see through a glass darkly

Verse 3:

777777

Where, as a child, I saw it face to face

002222

002201

Now, I only know it in part

999000

777000

Fractions in me

002222

Of faith and hope and love

999000

777000

And of these great three

055555

Love's the greatest beauty, love

777777

002222

Love, love.
